

**THE DIRECTOR OF
CENTRAL INTELLIGENCE**

National Intelligence Council

14 June 1982

NOTE FOR: James Roche

SUBJECT : Japan

Attached are two bundles of material. The first represents a selection of classified CIA products on Japan most of which are current but a few particularly good pieces date from 1979.

The second bundle includes unclassified material, including two Hudson Institute studies and the Wisemen's Report about which I spoke. Let's continue our dialogue whenever you are interested.
